CHANGE IN ISSUER NAME AND PORTFOLIO DETAILS

Unitholders are hereby informed of the updated issuer name and portfolio details which will be effective as from Wednesday, 9 October 2023.

Background

Cloud Atlas (RF) (Pty) ("Cloud Atlas") recently became a 100% owned subsidiary of First World Trader (Pty) Ltd t/a EasyEquities ("EasyEquities"). EasyEquities has embarked on a process to align the Cloud Atlas business with the "Easy" brand and a complete and extensive rebranding of Cloud Atlas' collective investment schemes business process is currently underway. The re-branding process was preceded by an application for name changes of the CIS Manager, the Schemes and Portfolios. The application was approved by the Financial Sector Conduct Authority ("FSCA")

Cloud Atlas has a distinct brand and as part of the business strategy of entities falling under the broader group, it is intended that there is an alignment of brands within the EasyEquities Group. The brand realignment initiative will strengthen client perception of brand affiliation with the EasyEquities Group ("the Group"). This approach will also ensure that clients understand and appreciate the integration of Cloud Atlas into the EasyEquities Group. This will be a positive benefit to clients and other stakeholders.

EasyEquities and the "Easy" brand carried by other group entities is a household name in the South African financial services sector. The brand alignment initiative will assist in instilling trust in investors who use a variety of products at EasyEquities and within the Group.
