4. General

The Asset Manager

EasyAssetManagement Proprietary Limited (FSP number 44978) has been appointed by the Manager to manage the underlying assets of the Portfolio.

The Asset Manager is 100% owned by the Purple Group. The Purple Group is a 70% shareholder in EasyEquities that owns 100% of the Manager of the EasyETFs Scheme. The Asset Manager was established in 2010 and as of July 2024 the total assets under management were R10.8 billion.

The Asset Manager manages assets across various asset classes that consist predominantly of equity portfolios with different risk profiles that is either managed within collective investments schemes or specific bundled solutions that is offered to clients.

Further information on the Asset Manager is available at <https://assetmanagement.easyequities.co.za/>.

Initial Listing

Subscriptions for the Securities after the initial listing by introduction are subject to the terms and conditions and procedures as described in the EasyETFs Programme Memorandum. There is a total of 1,000 Securities that will be issued in terms of the initial listing.

Net Asset Value (NAV)

The Net Asset Value (NAV) will be determined as described in the EasyETFs Programme Memorandum, dated 18 October 2024 and updated on 15 November 2024. The Manager will publish the daily NAV on its Website at <https://etfs.easyequities.co.za/>. In addition to the Manager's Website, the NAV will be available in the daily fund composition file and published in the quarterly factsheet.

The quarterly factsheet and daily fund composition file will be available on the Manager's Website at <https://etfs.easyequities.co.za/>.

Secondary Market Trading

Securities may be traded in the secondary market on the JSE and need not be traded in any minimum number.

The Manager has appointed a Market Maker that will buy and sell the Securities in the secondary market. The Market Maker will ensure that there is a bid price (price that the Investors can sell Securities) and an offer (price that Investors will buy Securities) at all times on the central order book during the normal JSE trading hours.

Although a Market Maker is appointed there can be no assurance that active trading markets for the Securities will develop, nor is there a certain basis for predicting the price levels at which the Securities will trade.

Material Contracts Specific to this Supplement

The Manager has appointed the following entities to fulfil the functions specified below:

- Jane Street Financial Limited has been appointed as the Market Maker of the Portfolio.
- EasyAssetManagement Proprietary Limited is appointed as the Asset Manager for the Portfolio.

Borrowings, Material Commitments and Contingent Liabilities

As at the last practicable date prior to the issue of this Supplement being 15 November 2024, no borrowings (as contemplated in the EasyETFs Programme Memorandum), material commitments, lease payments or contingent liabilities have been incurred and no debentures have been issued, nor have any loans been made by or in respect of the Portfolio or for the benefit of the Manager or any of its directors or their associates.

The directors of the Issuer confirm that after due and careful enquiry and with no involvement from the Auditors that there were no material changes in the financial position of the Issuer since the end of the last financial period for which annual financial statements have been published.

Litigation

There are no legal or arbitration proceedings of which the Manager or the Issuer is aware, including any such proceedings that are pending or threatened, that may have, or have had, a material effect on the financial position, of the Manager or the Portfolio.

Experts Consent

The Listings Advisor, Asset Manager and Market Maker have consented to their names being referred to in this Supplement in the form and context in which they are included and had not withdrawn their consent prior to issue of this Supplement.

5. Investment Policy

The Portfolio's primary objective is to achieve capital appreciation by following a quantitative and qualitative long-term equity strategy.

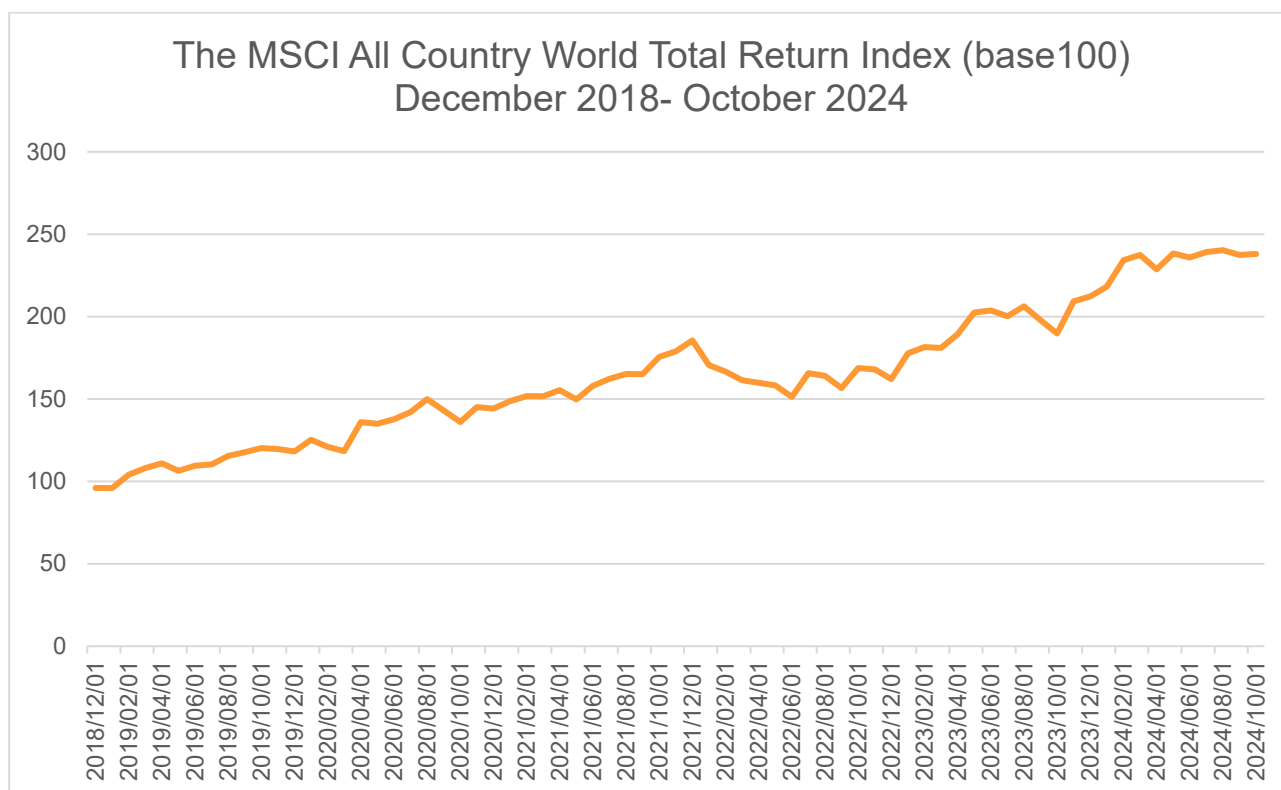

To achieve its objective, the Portfolio will primarily be invested in securities listed on recognized exchanges around the world. These assets will consist primarily of foreign equity shares with the possibility of investments in bonds, money market instruments, securities in listed entities that are backed by real estate property, participatory interests in collective investment schemes, assets in liquid form and non-equity securities which are considered consistent with the Portfolio's primary objective, and that legislation may allow from time to time. The Portfolio will be managed in accordance with the Global Equity General ASISA Fund Classification category, with the South African exposure being limited, accordingly.

The Portfolio is permitted to invest in listed and unlisted financial instruments in line with the conditions as determined by legislation from time to time.

The Portfolio may, apart from assets in liquid form, also include participatory interests or any other form of participation in portfolios of collective investment schemes or other similar schemes, in addition, the Portfolio may invest in exchange traded funds or exchange traded notes, whether organized as a portfolio of a collective investment scheme or not, subject to the conditions of the Act. Where the schemes are operated in territories other than in South Africa, participatory interests or any other form of participation in these schemes will be included in the Portfolio only where the regulatory environment is to the satisfaction of the Manager and Trustee and is of a sufficient standard to provide investor protection at least equivalent to that in South Africa

The benchmark of the Portfolio will be the MSCI All Country World Total Return Index.

6. Historical Performance of the Portfolio Benchmark

7. Management and Other Fees

The Manager has determined that the management fee charged will be a basic fee designed primarily to recover costs related to the direct operational management of the Portfolio, subject to a maximum fee of 60 basis points (VAT exclusive) per annum. The Manager is entitled to a management fee per calendar month calculated as follows:

$$\frac{D \times 0.6\%}{365} \times N$$

Where:

D = the daily market value of the total assets of the Portfolio excluding income accruals and permissible deductions, if any and

N = number of days in the month in question; or

any lower amount nominated at the Manager's discretion.

The management fee is accrued daily and is accordingly based on the daily market value of the total assets of the Portfolio over each Accounting Period.

The Manager may change any charge for the Portfolio, introduce additional charges or change the method of calculation of any charge that could result in an increase in charges, provided that:

- not less than 3 months' written notice has been given to every Investor by notification through SENS and on the Manager's Website; and

- the necessary amendments to the supplements of the EasyETFs Scheme have been affected in consultation with the FSCA.

In addition, the Manager may charge a creation fee or a redemption fee in connection with the expenditure incurred and administration performed by it in respect of the creation, issue and sale or repurchase of the Securities. The Manager may at any time in its discretion waive or rebate any fee and/or redemption fee (or any portion thereof), in respect of all Investors, any category of Investor or any Investor.

Total Expense Ratio

The total expense ratio ("TER") of the Portfolio reflects the percentage of the average Net Asset Value (NAV) that was incurred as charges, levies and fees related to the management of the Portfolio. It is an annualised figure which will be calculated every quarter and published as required. The TER will be published at <https://etfs.easyequities.co.za/> once it is available.

Transaction Cost

The transaction cost ("TC") of the Portfolio reflects the percentage of the value of the Portfolio that was incurred as cost relating to the buying and selling of the underlying assets of the Portfolio. It is an annualised figure which will be calculated every quarter and published as required.

8. Changes to the Supplement

If the Manager makes any changes to this Supplement that affect the terms and conditions of the Portfolio, other than changes which are of a formal, minor or technical nature or are made to correct manifest errors or to comply with mandatory provisions of the law and the JSE Listing Requirements, the Manager will obtain approval from Investors in terms the ballot process as described in the Deed and regulated by the FSCA.

The Manager will announce on SENS when there are any changes to the liquidity provision as described above in the section dealing with secondary market trading.

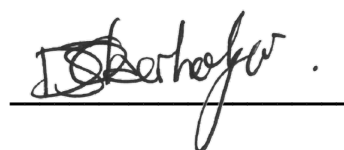

The procedures for Investors to exercise their votes to ensure that they are enabled to exercise their vote will be published by the Manager on SENS and circulars providing details of changes will be made available on the Manager's Website at <https://etfs.easyequities.co.za/>.
